Pricing Policy and Disclaimers

- A 50% Deposit is required on all mounts before work will be started and a completion date given.
- Final payment in full is required before mounts can be picked up.
- Any mount not claimed in 60 days is subject to storage charges. Unless prior arrangements have been made, any mount not picked up within 90 days of completion will become property of Nature's Image Taxidermy Studio and may be sold to recover charges, and the deposit is non-refundable
- All tanning is accepted at owner's risk, due to improper handling or a defect in the skin, sometimes a skin will not tan. Due to these reasons we cannot assume responsibility or guarantee the tanning of any skin.
- All life-size mounts come with a habitat base. Extensive habitat work is extra and quoted per piece. All fish come with a driftwood or panel base. Panels for shoulder mounts are extra.
- Pedestal mounts are an additional 25% of shoulder mounts.
- Half life-size mounts are 70% of life-size mounts.
- All open mouth mounts are \$75 extra.
- Federal law requires all migratory birds must have a tag attached to the foot of each bird with owners name, address, species, date killed and signature.
- Due to federal regulations all migratory birds must be paid in full before work begins.
- Competition work is available for additional charges.
- Rush orders are 50% extra.
- By signing this I agree to the above terms.
